

Simulation Dinosaur Specialist---Zigong Tianyi

INTRODUCTION

Zigong Tianyi Dinosaur Fabrication & Exhibition Co., Ltd located in Zigong City which is called "Dinosaur Hometown", "Salt City" and "Lantern Metropolis", is a professional lantern-making and simulation dinosaur manufacturing enterprise engaged in the design, research, fabrication and exhibition of lanterns, festooned vehicles, decorated barges, sculptures and landmarks; animatronics, pneumatic or static animation dinosaurs, animals and robots.

Our founders have accumulated rich experience of hosting lantern festivals and undertaking lantern fabrication and management projects such countries and regions as South Korea, Singapore, Malaysia, the Philippines, Hong Kong and Macao.

We have undertaken more than one hundred domestic and foreign lantern festival projects, which furnish our faithful and meticulous manners of working. Since the establishment, we have invited many innovative and experienced experts on planning and designing to join us. We have the first-class lantern fabrication team consisting of qualified lantern-making craftsmen and resourceful technical professionals with profound knowledge on lanterns. In recent years, we have successfully fabricated lanterns for the large-scale lantern festivals in Shanghai, Bijie, Haikou, Weihai, Qimeng and foreign countries. Our lanterns have won praises from media and press in various regions, such as Haikou Evening, Zhenhai Today, Qimeng Evening, Zigong Daily, Bijie Evening and Today Evening.

We can not only make lanterns but also all kinds of emulation dinosaur, dinosaur egg, dinosaur fossil and skeleton, cartoon dinosaur and other simulation animals, insects and robots. As so far, we successfully designed and constructed many large technological exhibitions, dinosaur parks, education exhibitions, dinosaur museums, science museums, etc.

Our artificial dinosaur featuring vivid appearance, flexible action, rich tone, durable color, long life. They can walk, run, roar, lay eggs and be ridden. They are installed in theme parks, exhibitions and museums at home and abroad. Our intelligent products are exported to many countries and regions, such as USA, UK, Germany, Russia, Singapore, Thailand, Netherlands, Poland, etc.

These facts witness the brilliant future of Tianyi! Under the environment of changing market, Tianyi will go forward to make better products in the modest manner with the spirit of "exploration and innovation". We adhere to the principles of "faithfulness, customers first, team-work and win-win solution". We are sincerely looking forward to cooperating with you to create glory together.

Dinosaur

Diplodocus

Tyrannosaurus
